If you're like a lot of people, you have probably dreamed of living at the 'Top of a Mountain.' Well, dream no more! This is your opportunity to live at the 'top of a mountain', while being a stone's throw away from everything. 'Fair Winds' is now available to have your dream come true. This 7 acre lot has some of the most pristine views in beautiful Marriottsville! The house was lovingly custom built by the current owner. She left no details out. Featuring a passive solar system, reducing utility costs. The house faces south, Closed double entry doors on all north facing entrances. The year-round sunroom has 10 inches of concrete under the slate floor, and a stone wall, tempering the outside conditions. Celestory windows and a dramatic open floorplan also help with air flow.
